0692-1272	72"	16-1/2"	5
0692-12XX	AA"	BB"	NN

INSTALLATION

Unit is surface mounted on wall or partition using N^o 10 (M5) self-tapping screws or other appropriate fasteners (by others) through holes provided in support brackets. Ensure that adequate in wall blocking or other reinforcement is provided (by others) to support shelf and intended loading weight. For compliance with ADA Accessibility Guidelines install unit so that shelf top is between 48" (1219) maximum above finished floor (AFF) and 32" (813) minimum AFF. Typical for general utility is 42" (1067) AFF or 18" (457) above washbasin.

OPERATION

Shelf is stable and stationary after proper and secure mounting to adequate wall reinforcement or stud structure. Shelf is suitable for wet (self-contained) or dry materials storage.
